THE SEVEN ADVANTAGES OF A NEWTON HOME

Where children grow and glow

Right from the amenities to home features, the homes are meticulously planned to ensure a conducive environment for children's growth.

Where children and parents bond together

Most recreational amenities are age-proof so that both parents and children can spend quality time together.

Where children are safe

Bruises and bumps are part of the learning process for children. So, the child-focused home features ensure that they are safe as they play, learn and grow.

Where experts train young minds

At Newton Homes, we leave it to the experts. Only the finest experts in education and training will be given the responsibility of nurturing your child. Your child will develop communication skills, thinking skills, fine and gross motor skills, presentation skills and research skills. These experts will fuel your child's imagination and creativity in a focused and sustained manner.

Where experience and legacy

proves itself

Newton Homes is brought to you by Ravima Ventures, which has a proven track record and specialises in integrating unique ideas into its projects.

Where working parents' careers

flourish

With childcare been taken care of through child-focused facilities, parents have the privilege of totally focusing on their career growth.

Where children explore and learn

new skills

The ideal combination of indoor and outdoor amenities along with the Newton Creativity Centre help children develop their right and left brain capabilities effectively.
